Leicestershire & Rutland Light Blue Club

The Light Blue Club was formed in 2012 as another outlet for Brethren of all lodges to meet and socialise in informal surroundings. All Freemasons of Leicestershire & Rutland are automatically members and welcome at any of the social events, Lodge visits and trips. There are no membership fees or applications. Socialising is the emphasis and, with most events held outside of the Lodge room, there is an opportunity for members to invite non-masonic friends along, which has resulted in a number of gentlemen joining our fraternity.

We hold regular social events throughout the province ranging from drinks socials to go-karting, evenings visiting local restaurants to beer festivals and clay pigeon shooting. There is something for everyone to enjoy.

In addition to social events, we arrange regular Lodge visits throughout the season. These include Lodges both within our Province and further afield, with an annual summer visit to the Apollo Lodge, No. 357, in Oxford as well as an overseas visit with recent destinations including Amsterdam, Rome, Budapest and Geneva.

Full details of social events and Lodge visits can be found on our social media outlets or in our bi-annual newsletter distributed via email from your Lodge Secretary. You can, of course, also visit our website at www.lightblueclub.co.uk.

We look forward to welcoming you to a Light Blue Club event soon. Contact us:

Leicestershire & Rutland White Ribbon Club

The White Ribbon Club is the sister club to the Light Blue Club and is open to all Royal Arch and Master Masons within Leicestershire and Rutland. Our aim is to promote Royal Arch Masonry by raising awareness, encouraging recruitment and inspiring members. We do this by organising visits to Chapters both within the province and further afield. We also organise joint social trips with the LBC, providing enjoyment for members and their families and giving them the opportunity to widen their circle of Masonic friends.

By working alongside the Light Blue Club, we look to assist Master Masons who are interested in taking the next regular step in Freemasonry by providing information, guidance and support.

The Province of Leicestershire and Rutland Library and Museum Committee

The John Thorp Museum has a collection of jewels, regalia, certificates, prints, books, glass and china and is one of the finest in the provinces.

The Committee will be glad to accept additional presentations or be informed where items can be purchased, for which a small fund is available. The Library and Museum is open from 4:00 pm to 9:00 pm from Monday to Friday during the Masonic season. Librarians will be in attendance on Tuesday and Wednesday morning, and other weekday mornings by appointment.

The new David Hagger Library contains a very wide range of books on subjects relating to Masonry and connected topics. The books record the history of Masonry back to its early days and there are also books recording modern opinions and research. In short, there is a comprehensive range of material that is probably unmatched outside London. These books are available for reference and, in some cases, can be borrowed on application to one of the Librarians and Custodians. The library will be open during the day but general access to books must be by application to the Librarians during the mornings from Monday to Friday.

Aims and Relationships of the Craft

In August 1938, the Grand Lodges of England, Ireland and Scotland each agreed upon and issued a statement identical in terms except that the name of the issuing Grand Lodge appeared throughout. This statement, which was entitled Aims and Relationships of the Craft, was in the following terms:

1. From time to time the United Grand Lodge of England has deemed it desirable to set forth in precise form the aims of Freemasonry as consistently practiced under its Jurisdiction since it came into being as an organised body in 1717, and also to define the principles governing its relations with those other Grand Lodge with which it is in fraternal accord.
2. In view of representations which have been received, and of statements recently issued which have distorted or obscured the true objects of Freemasonry, it is once again considered necessary to emphasize certain fundamental principles of the Order.
3. The first condition of admission into, and membership of, the Order is a belief in the Supreme Being. This is essential and admits of no compromise.
4. The Bible, referred to by Freemasons as the Volume of the Sacred Law, is always open in the Lodges. Every Candidate is required to take his Obligation on that book or on the Volume which is held by his particular creed to impart sanctity to an oath or promise taken upon it.
5. Everyone who enters Freemasonry is, at the outset, strictly forbidden to countenance any act which may have a tendency to subvert the peace and good order of society; he must pay due obedience to the law of any state in which he resides or which may afford him protection, and he must never be remiss in the allegiance due to the Sovereign of his native land.
6. While English Freemasonry thus inculcates in each of its members the duties of loyalty and citizenship, it reserves to the individual the right to hold his own opinion with regard to public affairs. But neither in any Lodge, nor at any time in his capacity as a Freemason, is he permitted to discuss or to advance his views on theological or political questions.
7. The Grand Lodge has always consistently refused to express any opinion on questions of foreign or domestic policy either at home or abroad, and it will not allow its name to be associated with any action, however humanitarian it may appear to be, which infringes its unalterable policy of standing aloof from every question affecting the relations between one government and another, or between political parties, or questions as to rival theories of government.
8. The Grand Lodge is aware that there do exist bodies, styling themselves Freemasons, which do not adhere to these principles, and while that attitude exists the Grand Lodge of England refuses absolutely to have any relations with such bodies, or to regard them as Freemasons.
9. The Grand Lodge of England is a sovereign and independent body practicing Freemasonry only within the three degrees and only within the limits defined in its existence of any superior Masonic authority, however styled.
10. On more than one occasion the Grand Lodge has refused, and will continue to refuse, to participate in conferences with so-called International Associations claiming to represent Freemasonry, which admit to membership bodies failing to conform strictly to the principles upon which the Grand Lodge of England is founded. The Grand Lodge does not admit to any such claim, nor can its views be represented by any such Association.
11. There is no secret with regard to any of the basic principles of Freemasonry, some of which have been stated above. The Grand Lodge will always consider the recognition of those Grand Lodges which profess, and practice, and can show that they have consistently professed and practiced those established and unaltered principles, but in no circumstances will it enter into discussion with a view to any new or varied interpretation of them. They must be accepted and practiced wholeheartedly and in their entirety by those who desire to be

recognised by the United Grand Lodge of England. The Grand Lodge of England has been asked if it still stands by this declaration, particularly in regard to paragraph 7.

The Grand Lodge of England replied that it stood by every word of the declaration, and has since asked for the opinion of the Grand Lodges of Ireland and Scotland. A conference has been held between the three Grand Lodges, and all unhesitatingly reaffirm the statement that was pronounced in 1938: nothing in present-day affairs has been found that could cause them to recede from that attitude. If Freemasonry once deviated from its course by expressing an opinion on political or theological questions, it would be called upon not only publicly to approve or denounce any movement which might arise in the future, but would sow the seeds or discord among its own members.

The three Grand Lodges are convinced that it is only by this rigid adherence to this policy that Freemasonry has survived the constantly changing doctrines of the outside world, and are compelled to place on record their complete disapproval of any action which may tend to permit the slightest departure from the basic principles of Freemasonry. They are strongly of the opinion that if any of the three Grand Lodges does so, it cannot maintain a claim to the following the Ancient Landmarks of the Order, and must ultimately face disintegration.

Freemasonry and Religion

In the light of recent comments on Freemasonry and religion and inquiries to be held by various churches into the compatibility of Freemasonry and Christianity, the Board has decided to issue the following statement in amplification of that originally approved by Grand Lodge in September 1962 and confirmed by Grand Lodge in December 1981. Freemasonry is not a religion, nor is it a substitute for religion. It demands of its members belief in a Supreme Being, but provides no system of faith of its own. Its rituals include prayers, but these relate only to the matter instantly in hand and do not amount to the practice of a religion. Freemasonry is open to men of any faith, but religion may not be discussed at its meetings.

The names used for the Supreme Being enable men of different faiths to join in prayer (to God as they see Him) without the terms of the prayer causing dissension among them. There is no Masonic God: a Freemason remains committed to the God of the religion he professes.

Freemasons meet in common respect for the Supreme Being, but He remains Supreme in their individual religions, and it is no part of Freemasonry to attempt to join religions together. There is therefore, no composite Masonic God. An open Volume of the Sacred Law is an essential part of every Masonic meeting. The Volume of the Sacred Law to a Christian is the Bible: to Freemasons of other faiths, it is the book held holy by them.

The obligations taken by Freemasons are sworn on or involve the Volume of the Sacred Law. They are undertaken to keep secrets of a Freemasons means of recognition and to follow the principles of Freemasonry. The physical penalties are simply symbolic. The commitment to follow the principles of Freemasonry is deep, and entirely appropriate to this form of obligation.

Freemasonry lacks the basic elements of religion:

1. It has no dogma or theology (and by forbidding religious discussion at its meetings will not allow a Masonic dogma to develop).
2. It offers no sacraments.
3. It does not claim to lead to salvation, by works, secret knowledge or any other means (the secrets of Freemasonry are concerned with modes or recognition, not with salvation).

Freemasonry is far from indifferent to religion. Without interfering in religious practice, it expects each member to follow his own faith and to place his duty to God (by whatever name He is known) above all other duties. Its moral teachings are acceptable to all religions.

The Provincial Grand Chapter
of
Royal Arch Masons
of
Leicestershire and Rutland

Membership of the Royal Arch

The Order of the Holy Royal Arch is the climax of Pure Antient Masonry. The impressive ceremony of exaltation reconstructs the period after the destruction of King Solomon's Temple and the building of the subsequent Temple.

As the order is part of "Pure Ancient Masonry" it should not be viewed as an optional extra, but rather as the only opportunity for a Master Mason to proceed to the completion of his Masonic knowledge. The Holy Royal Arch is more commonly known as "Chapter", for, as Craft masons meet in a Lodge, so Royal Arch masons meet in a Chapter and are known as Companions.

Master Masons of four weeks and upwards are eligible to be exalted into Royal Arch Masonry by joining a Chapter, of which there are presently 27 in this Province, the details of each being set out within this Year Book.

The order of the Royal Arch, as practised under the English Constitution, contains the quintessence of Masonic Philosophy. Its symbolism is of the most exalted and sublime nature, and its beautiful ritual is expressive of the highest ideals associated with the intimate search for, and the discovery of, divine light and truth.

Above all the Royal Arch, like the Craft, is something to enjoy; it has a serious message, but that is no bar to enjoyment.

Over one third of Craft Freemasons in our Province are members of the Royal Arch and the Provincial Grand Scribe E will be happy to provide more details to anyone interested to learn more.

Description of the Mark Order

The Degree of Mark Master Mason is open to all Master Masons. The ceremony, in which he is advanced, can be said to comprise two degrees: the first part in which he is acknowledged as a Mark Man and then the second where he becomes a Mark Master Mason.

The Mark referred to in its title takes its name from the Mark or Symbol with which the Stonemason identified his work and can still be found in many Cathedrals and important buildings.

The Mark Ritual is structured on verse 22 from Psalm 118.

“The stone which the builders refused is become the head stone of the corner.”

It explores the building of King Solomon’s Temple and the craftsmen involved in the work. The lessons of the Mark Degree are presented in a ceremony that is both lively and enjoyable and requires active participation by at least nine Officers. It is full of action and surprises. Chronologically the Degrees follows the Second Degree in Craft Masonry.

The ordinary members’ regalia comprises an apron and breast jewel. The apron is of white kid with a triangular flap bordered with a two-inch ribbon of light blue with crimson edges. It has rosettes replaced with silver levels. The jewel of the Order is a key stone appended to a ribbon, which matches the apron and bears a mallet & chisel which are the tools of the Order. The key stone, which bears certain characters, forms an integral part of the ceremony.

The Order, of which H.R.H. Prince Michael of Kent is Grand Master, is administered from Mark Masons’ Hall in St James’s, London. Mark Grand Lodge was formed in 1856 and earliest records show that the degree was in being in 1769. The Order is partitioned into 42 Provinces in England and Wales. In addition, there are 24 Districts abroad covering Europe, India, South America, the West Indies, Africa and the Far East. There are also two groups under a Grand Inspector in the Bahamas & Turks and Ghana and 25 unattached Lodges in many parts of the world. In all there are over 1500 Lodges in the English Constitution.

Leicestershire and Rutland, incorporating Northamptonshire and Derbyshire, was constituted as a Province in 1858, making them one of the oldest Provinces in England and Wales. The other two counties became independent in 1894. Two Lodges in this Province were consecrated in 1858 and there is also one Lodge with Time Immemorial status. In total, there are now 16 Lodges which is led by a Provincial Grand Master and his Deputy, who are supported by a Provincial team of a Treasurer, Secretary and Director of Ceremonies.

The Leicestershire & Rutland Mark Benevolent Fund is a Registered Charity (No. 259979) and makes grants to Masonic and to other charities within the Province. The designated Lodge Representative will be the Lodge Charity Steward. The subscription due from each member of the Mark Province is a minimum donation of £5.00 per annum.

The Mark Benevolent Fund (Registered Charity No. 207610) Founded in 1868, the M.B.F. is the central charity for the Mark and Royal Ark Mariner Degrees and is administered from Mark Masons' Hall in London. The income to the M.B.F. is principally from individual and Lodge contributions. The Fund makes grants to individual petitioners for the relief of Mark Master Masons, or, their wives, widows, or dependents, being in every case necessitous; and also, to charities within the wider community.

The Honorifics Scheme

Each year one of the Mark Provinces is designated to host the M.B.F. Festival and its own fund-raising towards the target is spread over several years, concluding with a Grand Festival Banquet at which the grand sum collected is announced.

It is easy for a Brother either on his own behalf, or for his lady, to make a direct donation to the Fund at Mark Masons' Hall when his own Province is not in a Festival, or alternatively if he wishes, to support the current or a future Festival donation. It is up to each Brother to decide which of these options he wishes to choose when he completes the application paperwork; however, it is strongly encouraged that all such current and future donations made by Leicestershire & Rutland Mark Masons are set against our Province's next Festival. Full details and Forms can be obtained from the Provincial Grand Charity Steward. Any sum above a minimum of £10 will be credited as per the request of the Brother and will be aggregated towards his personal fund qualification. Contributions can be by lump sum, or by regular giving, or a combination of both and it is for the Brother concerned to decide for himself the amount, timing, by what means his contributions are made, and where he wishes his contributions to go.

The Scheme has six categories of qualification, and when each contribution threshold shown is reached, the appropriate jewel or collarette will be authorized and issued, and which can be worn at every Mark and Royal Ark Mariner meeting and festive board:

Patronage Award	Brethren	Ladies	Lodges
Life Governor	£100	–	–

of
Royal Ark Mariners

Description of the R.A.M. Order

The Ancient and Honorable Fraternity of Royal Ark Mariner has been under the jurisdiction of the Grand Lodge of Mark Master Masons since 1871 and is governed by the Grand Master's Royal Ark Council.

Lodges are attached to Mark Lodges assuming their number, but not necessarily their name, and to become a member, you have to have been Advanced, as a Mark Master Mason. There the similarity ends. In chronological terms, it precedes the Mark by hundreds of years because it relates to the building and voyage of Noah's Ark and the Great Flood and has none of the other characters we meet in Freemasonry.

During the ceremony of Elevation analogies are drawn between the dangers of the flood and the dangers of life, and by symbolizing Wisdom, Strength and Beauty we are reminded of the providence of and mercy of God and how we should strive to reach the Ark, the haven of rest, just as did Noah's family and the other occupants of the Ark in the Biblical tales of the deluge.

The tracing board of the degree is unusual in that it contains symbols of many of the other Orders in Freemasonry.

The regalia comprises an apron which is bordered by a rainbow-coloured ribbon with similar rosettes. The breast jewel is of a dove bearing an olive branch suspended from a rainbow and attached to a rainbow-coloured ribbon. Commanders and Past Commanders (who are the equivalent of Masters, and Past Masters in the Mark) exchange the rosettes on the aprons for silver triangles and wear a breast jewel of a triangle surmounted by the letter 'N' symbolizing Noah.

Provincial Officers wear a rainbow-coloured collarette from which is suspended a silver Ark. Grand Officers exchange the silver detail for gold. There are no individual ranks within either Provincial Grand Lodge or Grand Lodge. Brethren holding those ranks suffix their name with Provincial Royal Ark Mariner Grand Rank (Prov.R.A.M.G.R.) or Royal Ark Mariner Grand Rank (R.A.M.G.R.).

The Provincial Grand Master, for the Mark, is ipso facto, the Provincial Grand Master for the Degree of Royal Ark Mariner.

There are ten Lodges in this Province.

The Masonic and Military
Order of the Red Cross of Constantine
and the Orders of
The Holy Sepulchre and
St John the Evangelist

Description of the R.C.C. Order

The 'Masonic' Order of the Red Cross of Constantine appears to have been first organised in the United Kingdom by Charles Shirreff about 1780 AD, and was re-organised in 1804 by Waller Rodwell Wright. During the next fifty years the Order was not very active until in 1865 Grand Imperial Conclave was reassembled for the election and enthronement of William Henry Wright. Since 1865 there has been steady and continuous working and daughter Grand Imperial Conclaves have been formed from England throughout the English-speaking world.

The Order of the Red Cross of Constantine belongs to the 'East and West' class of Initiatory Rites and consists of three degrees - Knight, Priest-Mason and Prince-Mason – titles which represent grades in the scale of Initiation.

The first Degree of the Order that of Knight Companion, leads from the Pagan Dispensation to the Christian, using the Legend of Constantine the Great's conversion as a symbol of that conversion. The candidate comes as a 'Knight of Rome' desiring to embrace Christianity, and he must, in accordance with the General Statutes of the Order, be a Royal Arch Mason.

The second Degree is that of Venerable Eusebius and is one of the symbolic Priesthoods. A Knight who has attained to this status is eligible for the office of Eminent Viceroy in a Conclave provided he is a member of the Appendant Orders of the Holy Sepulchre and of St. John the Evangelist and that he is regularly elected to that office.

The third Degree is confined to the Most Puissant Sovereign and who represents Constantine, Sovereign-Prince of the East and West. A Sovereign shall have served for one year in the office of Viceroy in a regular Conclave. This Degree completes the Rite of the Red Cross of Constantine.

The Appendant Orders of the Holy Sepulchre and of St. John the Evangelist were attached to the Order of the Red Cross of Constantine at an early date and a separate certificate is issued to members of this Order. There is no connection, historically or ritually, between the Masonic Degree of Knight of the Holy Sepulchre and the mediaeval Military Order of the same name, which is said to have been founded in the eleventh century.

The East Midlands Division extends over three Craft Masonic Provinces, those of Leicestershire and Rutland, Northamptonshire and Huntingdonshire and Bedfordshire. The Division currently comprises eight Conclaves situated in Leicester, Loughborough, Lutterworth, Melton Mowbray, Northampton, Rushden, Dunstable, and Peterborough.

Further information may be obtained from the Divisional Recorder.

Ancient and Accepted Rite

Description of the A.A.R. Order

Structure

The Rose Croix of Heredom is the 18th degree of the Ancient and Accepted Rite, held under the authority of the Supreme Council 33°. This Rite comprises thirty-three degrees of which the Rose Croix, or eighteenth Degree, is the only degree worked in full by the Chapters.

The Principles of Christianity are represented in the 18th Degree. A Brother wishing to be Perfected must have been initiated in a Lodge under the United Grand Lodge of England and have been a Master Mason for a full year. He must be in good standing in his Lodge before he is proposed, and he must profess the Trinitarian Christian Faith. The Ceremony of the 18° seeks the Perfection of Christian Virtues in Faith, Hope and Charity. It is an immensely thought-provoking, impressive and beautiful ceremony which instils a warmth of Brotherly Love on which the whole Masonic movement is founded. The regalia for the 18°, is both simple and spectacular and comprises a red collar embroidered in gold braid, with the symbols and emblems of the Degree of Perfection. A jewel is appended to the collar. The higher degrees' regalia are separately distinctive, and which consist of either a sash or collar and a collarette.

History

The Rite was first established in France in 1754. The degrees of the Rite amplify the teachings of Craft Masonry, the three degrees of Craft Masonry are accepted as the equivalents of the first three degrees of the Rite. The nine members of the Supreme Council, warranted in 1845, confer the last four degrees (30th, 31st, 32nd and 33rd) at 10 Duke Street, St James's, London, the Grand East of the Order. The other degrees in the Rite (4th to 17th degrees) are conferred by name.

The King Edward VII Chapter of Improvement demonstrates one or two of these degrees each year at 4–5 Masonic Centres in England and Wales. Leicester hosted the Demonstration Festival in 2016 at which the 7th and 8th degrees were demonstrated and again in June 2019 at which the 13th degree was demonstrated.

Administration

The District of Leicestershire and Rutland comprises nine Chapters Rose Croix, and these meet at Leicester and five other Masonic Centres within the District. Each Chapter meets three times a year and the meetings conclude with a Festive Board. Each year a Sovereign is elected and Enthroned and Officers are appointed and invested. Meetings are very friendly and relaxed with members sharing a commitment to Christian fellowship and a deep understanding of this beautiful Masonic Order.

The Inspector General assisted by the District Recorder administers the District.

Events

On Palm Sunday, a Service is held, followed by a lunch, for members of the Order and their wives or partners.

Brethren who are interested in this Order can gain further information from any of the Chapter Records listed on the following pages.

Ritual workshops are held each year at various locations within the District.

Regular District newsletters are published each year and circulated to all members.

The United Religious, Military
and Masonic Orders of the Temple,
and of St. John of Jerusalem,
Palestine, Rhodes and Malta,
in England, Wales
and Provinces Overseas

Description of the Order

The full title of this Order is - The United Religious, Military and Masonic Orders of the Temple and of St John of Jerusalem, Palestine, Rhodes and Malta, in England and Wales and Provinces Overseas. The Order is administered by the Chancery of the Orders in London.

The earliest reference to the United Religious, Military and Masonic Orders of the Temple occurred at around 1777, but it was not until 1845 that the ritual was standardised and the order steadily expanded. Today there are nearly 700 Preceptories on the roll of The Great Priory of England and Wales and Provinces Overseas. Whilst there is no claim to any historical connection to the medieval Military Orders of this name, the ritual is based around its history and exploits and the "Rule" of the Order given to them by the Pope.

Meetings of the Order are held in a Preceptory and presided over by a Preceptor. The regalia is impressive, and is based on the costume of our medieval counterparts: it comprises of a mantle, tunic, cap, sash, cross, star, belt, sword and black gloves.

This degree commemorates the actions of a band of knights who were granted refuge within the sacred precincts of King Solomon's Temple by Baldwin II, King of Jerusalem in 1118. A candidate for installation is admitted in the character and garb of a pilgrim and is required, symbolically, to undergo a period of pilgrimage and warfare culminating in taking the vows of a Knight Templar. Having conducted himself courageously, he is then instructed how penance and meditation will prepare him for Christian knighthood. Finally, he is received, clothed, armed and proclaimed a Knight of the Temple.

Once a Knight is a member of the KT Order, he is eligible to join the Masonic Order of St John of Jerusalem, Palestine, Rhodes and Malta, and thereby become a member of the United Orders. Before receiving 'the Malta degree', a short introductory degree of Knight of St Paul is conferred, based on the history of St Paul and his journey to the island of Malta. Candidates for the Knights of Malta are then given 'the Mediterranean pass' so that pilgrims might distinguish one another from those who tried to bar their passage to the Holy Land. The main Malta ceremony takes place in a Chapter House of the Order, and during the ceremony, the history of the Order is explained, including the merger with the Order of the Knights Templar and their arrival at Malta in 1530.

In the Order of Malta, a red tunic, black mantle, and a black cap is worn, each bearing a white Maltese Cross, together with a separate Malta jewel. However, a Knight of Malta can generally use the Knight Templar Regalia, minus the Knight Templar specific items of the sash, star, and Knight Templar jewel. The common items of regalia shared between the two Orders are the belt, sword and black gloves

The Orders give considerable support to the St. John of Jerusalem Eye Hospital, a charitable foundation of the non-Masonic, Venerable Order of St. John.

A brother wishing to be installed as a Knight of the Order must be a Master Mason, a Companion of the Royal Arch and profess the Trinitarian Christian Faith. Further details can be obtained by contacting any of the Bro. Knights listed in the membership rolls of the Preceptories of the Province, or by contacting the Provincial Vice-Chancellor on 0783 513 7428 or by email on rprovpriory@gmail.com.

The Holy Royal Arch
Knight Templar Priests
and
Order of Holy Wisdom

Description of the Knights Templar Priests Order

Although the origins of the Holy Royal Arch Knight Templar Priests and Order of Holy Wisdom are not known with any certainty, there is a doubtful claim that it existed in the late 17th Century. However firmer evidence exists of its being worked in the 18th and 19th Centuries in England, Scotland, Ireland, Corfu, France and probably the United States and Canada.

The early history of this Christian Order is obscured by the fact that it was known by many other names:

- Order of Melchisedec, Pillared Priest;
- White Mason; or
- Order of Holy Wisdom, Templar Ne Plus Ultra.

The Order became moribund in the 19th Century, the last known working being in Lancashire. At the end of the Century however, a prominent Mason, Henry Hotham, who was, apparently, the last known Knight Templar Priest, revived the Order by creating a sufficient number of Knight Templar Priests in Newcastle to form a Tabernacle. As a consequence, the first of the modern Tabernacles, Royal Kent, was formed. After a short period of control by the Allied Masonic Degrees in London, the Order became an independent body. It is administered by a Grand College located in York, England, under the leadership of the Grand High Priest. He is supported by a Deputy Grand High Priest, a Grand Recorder, a Grand Treasurer and a Grand Director of Ceremonies.

The development of the Order was very slow at first, but soon began to take on its now extensive international form, with the first New Zealand Tabernacles in 1930, 1942 and 1944 and Australia joining in a few years later.

Earlier, on 16th August 1935, Grand College had sponsored the setting up of the Order in the United States as an independent authority and to this day this is the only other Grand College in the World.

Progress of the Order continued very slowly but steadily from 1951 for the next 10 years, but in the early 1960s, under dynamic new leadership, the pace of expansion increased, and has continued to this day, with the number of Tabernacles now exceeding 260, spread throughout England, Scotland, Wales, Australia, New Zealand, Canada, South Africa, the Bahamas, Hong Kong, Holland, Germany and Jamaica.

The dress of the Order is a white mantle, a tunic as worn by Knights Templar without jewels, and a mitre. To be considered for membership of this deeply significant Order, you **MUST** be a subscribing member of the following Masonic bodies:

- A Craft Lodge;
- A Royal Arch Chapter; and
- A Knights Templar Preceptory.

You **MUST** also be a Master Mason of three years standing **and** profess the Trinitarian Christian Faith.

At the Annual Assembly of Grand College in June 2014 the Grand High Priest announced that it had been decided to re-introduce The Order of Holy Wisdom as an Associated Order of The Order of Holy Royal Arch Knight Templar Priests AND The Order of Holy Wisdom.

All members of the Order wear an ecclesiastic Cordelier, white for a Member and coloured for the more senior ranks.

A candidate in HRAKTP would also need to be admitted to the Priesthood of OHW should he wish to attain the Chair of High Priest of a Tabernacle.

The Order is organised in Districts, headed by a Grand Superintendent. He is supported by a District Director of Ceremonies, a District Treasurer and a District Recorder. This is the East Midlands District, No.31.

Order of
The Secret Monitor
or
The Brotherhood of
David and Jonathan

Description of The Order Of The Secret Monitor

This order is founded on the wonderful story told in 1 Samuel Chapter 18 onwards of the enduring friendship between David and Jonathan. The unselfish devotion of these two friends is the basis of the Secret Monitor ritual and precepts. Friendship for one's Brother is the paramount basis of its teachings, even as Brotherly Love is the first tenet of the Craft.

An Order of David and Jonathan was established in the mid-1600s by Dutch settlers of the Jewish descent who had emigrated to the new world. Dr. Issachar Zacharie developed the Order of the Secret Monitor in England on his return to this country from the United States in 1887, and he became the first Supreme Grand Ruler.

The Order is governed by the Grand Supreme Ruler and his Officers. The Grand Supreme Ruler may designate any area a Province or District; establish for it a Province or District and appoint; by patent; a Provincial or District Supreme Ruler. Within each Province or District there are Private Conclaves, each presided over by a Supreme Ruler.

Under the Constitutions of the Order the Supreme Ruler of a Conclave appoints the Officers, including four Visiting Deacons, who have a special duty to search out, and call upon any Brother who may be in danger or distress, or may be ill, or need fraternal monition, sympathy, consolation or assistance. It cannot be too strongly emphasized, that the most important aspect of the Order is to maintain constant contact with each other and afford whatever help or advice is required.

There are three Degrees within the Order:

- First Degree: Induction as a member of the Order.
- Second Degree: Admission as a Prince of the Order.
- Third Degree: Installation as a Supreme Ruler within the Order.

A candidate must be a Master Mason and after induction, a period of up to four weeks must elapse before a Brother can be admitted as a Prince of the Order. He must be a Prince of the Order before he can be installed as a Supreme Ruler of a Conclave.

There is no regalia other than a breast jewel. There are three Conclaves meeting in the Province of Leicestershire & Rutland at the present time. Each meet three times annually.

The East Midlands Province of the Order of the Secret Monitor is composed of the five Masonic Craft Provinces of Derbyshire, Leicestershire and Rutland, Lincolnshire, Northamptonshire, and Nottinghamshire.

Ancient and Masonic Order
of
The Scarlet Cord
in the British Isles and its Districts and
Consistories Overseas

Description of the Order

The Ancient and Masonic Order of The Scarlet Cord was developed in the British Isles in 1889. It was founded upon ancient 18th century documents from the Amsterdam archives. The rituals and ceremonies were rewritten and enriched by one of the authors of the three rituals currently used in our Secret Monitor ceremonies, Judge His Honour Frederick Adolphus Philbrick, K.C.

The Order became moribund in 1926. However early in 2000 the then Grand Supreme of the Order of the Secret Monitor, Most Worthy Brother Peter Glynn Williams, became very keen to reintroduce the Order and with the help of well-known members of the Order of the Secret Monitor searched the archives at Mark Masons Hall, studied all the 6 grades of the Order and rewrote them to suit modern Freemasonry. Just 10 years later, on 21 July 2010, the Inauguration ceremony of the Grand Senatus of the Ancient and Masonic Order of the Scarlet Cord was held at Great Queen Street, London, when Most Distinguished Companion Michael William Guest was installed as the primus Grand Summus. He appointed a Deputy and an Assistant Grand Summus and then invested Grand Officers and conferred past rank on many others. Locally the Order is ruled over by a Provincial Grand Summus or a Grand Inspector. The Lodge units are known as Consistories. Depending on the number of Consistories working an area is known as a Province or an Inspectorate. To be a Province the requirement is to have 3 or more Consistories. Given time all areas will become Provinces. The East Midlands is now a Province, having 4 Consistories, Derbyshire Consistory, No.11 "Time Immemorial" meeting at Long Eaton and the Leicestershire & Rutland Consistory, No.63 meeting at Lutterworth, Lincolnshire Consistory, 91 meeting at Alford and Belper Consistory, No. 96 meeting at Belper.

The requirement for becoming a member of the Order is to be a Prince of the Order of the Secret Monitor. The Consistories are presided over by a President, a Primus of Lectores and a Primus of Ostiarii. There are 6 Grades in the Order, they are known as 1st Grade Ostiarius or Doorkeeper, 2nd Grade Lector, 3rd Grade Fellow or Healer & Exorcist, 4th Grade Councillor, 5th Grade Keeper of the Hidden Secret and 6th Grade Prince of Jerusalem.

The first three Grades are worked in a Consistory. To receive the 4th Grade, a Companion must be an Installed President and it is conferred in a Council of Elders. The 5th Grade is conferred in a Council of the Entrusted and the 6th Grade in a Council of Princes. The 5th and 6th Grades will only be conferred on companions personally chosen by the Grand Summus. The Grand Assembly is denominated Grand Senatus and the personal bodyguard is the Tzaddikim.

The regalia for each grade is very low cost. In most Consistories the regalia for the first two Grades is loaned to the candidate as 1, 2, and 3 Grades can be taken with only 1 month interval between them.

More information of the Order can be obtained from the internet at The Ancient & Masonic Order of the Scarlet Cord.

The Order of Royal and Select Masters

Royal and Select Masters

The Royal and Select Masters Order is administered from Mark Masons Hall by the Grand Council of the Order. The Order is headed by the Grand Master and is divided into Districts, led by a District Grand Master. The East Midlands District has eleven Councils covering the Craft Provinces of Leicestershire and Rutland, Bedfordshire and Northamptonshire and Huntingdonshire.

The Order comprises four degrees which (in order) are Select Master, Royal Master, Most Excellent Master and Super-Excellent Master. They are collectively known as Cryptic Masonry from their relationship to a secret vault. All the administrative work is done in a Council of Select Masters, as is the installation of a new Thrice Illustrious Master. The other three degrees are merely opened and closed to confer that degree.

The degree of Select Master is held in the vault under the Temple into which the secrets were deposited. It tells of how a well-known mason employed by King Solomon intrudes into the vault where the three Grand Masters are meeting, and it illustrates the consequence of his intrusion. The Royal Master degree is set just prior to the completion of the first Temple and contains an unforgettable Masonic experience, spoken by a Companion representing Hiram Abif.

The Most Excellent Master degree concerns the completion of the first Temple and the installation of the Ark of the Covenant. Finally, the Super- Excellent Master degree brings the story of the first Temple to its imminent destruction by the forces of Nebuchadnezzar.

Members of all faiths are eligible for its teachings and to qualify for membership one must be both a Royal Arch Mason and a Mark Master Mason. The ritual book for these degrees contains an excellent introduction as well as the ceremonies. The degrees cover the period from 974 BC to 534 BC from the Mark Degree – the building of the Temple, to the Royal Arch – the recovery of the Word.

The Regalia consists of a triangular white apron, edged with crimson, and trimmed with gold braid. The jewel reflects the apron comprising a white equilateral triangle surmounted by a gold crown suspended from a crimson ribbon. Officers wear a crimson collar from which is suspended a gilt trowel with the emblem of office. There is a tie to the Order, which is worn in the Councils.

The Order of the Allied Masonic Degrees

The Order of the Allied Masonic Degrees

In the late 1870s it was decided to establish a Grand Council of Allied Masonic Degrees to take under its direction all Lodges of various Orders that had no central authority. Initially the Orders of Grand High Priest, St. Lawrence the Martyr, Red Cross of Babylon and Knight of Constantinople acknowledged this new central authority and subsequently the Degree of Grand Tilers of Solomon, which originated in the United States of America, was added as a fifth Order.

The Degree of St. Lawrence the Martyr is that in which all administrative business of a Council of the Order is conducted. The Master of a Council is elected, as such, in a Lodge of St. Lawrence the Martyr and the only ceremony of Installation is that of a Master of a Lodge of St. Lawrence the Martyr. Thereby he constitutionally becomes Master of the Council and appoints the Officers of the Lodge. The Master of the Council is responsible for designating Officers to work any other Degree of the Order, when required.

At every meeting of a Council, a Lodge of St. Lawrence the Martyr must be opened and closed and a Lodge or Council of any of the other four Degrees is opened and closed only when the ceremony of Admission to that Degree is worked.

Every Candidate for admission to the Order of the Allied Masonic Degrees must be a Companion of the Holy Royal Arch and a Mark Master Mason. He is first admitted to the Degree of St. Lawrence the Martyr. Although this is not a Christian Order, it deals with the Martyrdom of St. Lawrence and teaches fortitude. The other four Degrees are conferred upon him subsequently, in any order, and in any Council.

The degree of Knight of Constantinople links the legends of Constantinople with Masonry and teaches humility, justice and equality.

In the degree of Grand Tilers of Solomon, the Lodge represents a vaulted chamber beneath King Solomon's Temple. The degree warns of the great danger of carelessness and hasty judgement.

The degree of Red Cross of Babylon is the most profoundly mystical of the five degrees. The scene is set partly in Babylon and partly in Jerusalem and is closely associated with the rebuilding of the second Temple. The degree emphasizes, the importance of Fidelity, Integrity and Truth.

The Holy Order of the Grand High Priest takes us to a high realm of Masonic thought and the Companion who is admitted is left in no doubt that he is set apart for higher duties and responsibilities in life. It is founded on the Blessing of Abraham and the consecration of Aaron.

Having taken the five degrees of the Order the candidate is awarded a breast jewel appropriate to each Degree. There is no other regalia worn by the brethren. Officers wear a collar, Grand Officers and District Officers wear a collar and the Active Officers also wear a collarette.

The Order is headed by a Grand Master and is administered from Mark Masons Hall in London. The Order is divided into Districts, led by a District Grand Prefect. The East Midlands District has twelve Councils covering the Shires of Leicester, Derby, Lincoln, Northampton, and Nottingham.

The Worshipful Society of

Wallers, Slaters, Paviers,
Plasterers and Bricklayers

(The Operatives)

The Worshipful Society of Free Masons, Rough Masons, Wallers, Slaters, Paviers, Plaisterers, and Bricklayers

If any man can be said to have been the founder of today's 'Operatives' that man was Clement Edwin Stretton, who was born in Leicester in 1850. He was articled to a Civil Engineering firm in 1866 and as part of his training he was sent for a month to a quarry at Cromford, Derbyshire, in order to learn something of the mason's trade. Within days of working at the quarry he applied to become a Guild Mason and he began a course of study which lasted for the rest of his life.

Thereafter, he returned to the quarry at regular intervals, becoming a Fellow of the Craft (II^o) in 1874, a Super Fellow Fitter and Marker (III^o) in 1875, Super Fellow Setter Erector (IV^o) in 1876, Intendent, Overseer and Super-Intendent of the Works and Warden (V^o) in 1877, and passed an examination as Master (VI^o) in 1878. He eventually became Senior Passed Master in 1901 and Third Grand Master Mason of the York Division in 1908.

The Operatives of today are in no way to be confused with the Guild Masons, some of which can trace their history back for centuries and met in Lodges grouped into Divisions. The present Society, which dates from 1913, meets in Assemblages grouped into Regions.

It was however Stretton who as the Secretary of the Guild Masons deputed another important figure in the history of the Society, Dr. Thomas Carr, to open a London Master Masons' Lodge in the VII^o and to enthrone three Master Masons. This Carr did on Wednesday 21st May 1913. Stretton died in April 1915 and it wasn't until 2 months after his death on April 14th 1915 that the three Master Masons (as they were then) obtained consent of the Lodges Leicester and Mount Bardou; and having approval of all the brethren of the London Section revived the Westminster Division, which had ceased to exist, and constituted 'The Channel Row Assemblage'.

Thus was formalised and finalised the birth of today's Worshipful Society of Free Masons – the 'Operatives' – which had been gestating for two years. It was not until 1932 that another Assemblage was Constituted, this time in Essex, but it was forced into suspension until 1973, when it was re-Constituted and has thrived ever since.

The Society is now in fifteen different countries including the UK and growing. Breedon & Cloud Hill Assemblage is number 63 on the register and as at September 2020 the number of Assemblages stands at 137.

Ceremonies closely resembling those worked by the old Guild masons are worked by today's Operatives, without the use of ritual books, and at Grand Assemblage each year we perform what is now the 'Antient Drama' commemorating the slaying of Hiram Abif.

The Society is governed by Three Grand Master Masons and a Deputy Grand Master Mason/Senior Passed Master & (D.G.M.M./S.P.M.) whom they appoint to rule over each region. The G.M.Ms also appoint a Deputy Master Mason V^o(D.M.M. V^o) to be Master of the V^o lodge.

Each Assemblage recommends to Grand Assemblage a new Deputy Master Mason, (D.M.M.) each year but the Obligation and Investiture of a D.M.M. is done by the D.G.M.M./S.P.M. for all the Assemblages in his Region at one meeting. The D.M.M. V^o performs all the V^o ceremonies in his region at one meeting each year. All candidates taking the V^o must be approved by the D.G.M.M./S.P.M.

In this East Midlands Region, we have five Assemblages:

1. Ancaster Quarry, working at Louth, Lincolnshire.
2. Collyweston Quarry, working at Rushden, Northamptonshire.
3. Breedon & Cloud Hill Quarry, working at Lutterworth.
4. Eaton Socon Church Assemblage, working at Eaton Socon, Cambridgeshire.
5. Grimsthorpe Castle Assemblage, working at Bourne, Lincolnshire.

The Masonic Order of Athelstan

King Athelstan: Masonry's First Royal Patron

Through both legend and actual events, Freemasonry has always been able to boast of royal patronage. That is, at various periods, kings, princes, dukes and other members of royalty have been avid supporters of the Craft and, in many cases, actually joined the fraternity.

The first recorded mention of a royal patron for Masonry occurs in the Regius Manuscript in 926 AD. The Regius Manuscript mentions King Athelstan and the significant role he played in establishing a formal organisation for operative stonemasons. The story contained in the Regius Manuscript has come to be known as "The York Legend".

He loved Masons more than his father; he greatly studied Geometry and sent into many lands for men expert in the science. He gave them a very large charter to hold a yearly assembly, and power to correct offenders in the said science; and the king himself caused a General Assembly of all Masons in his realm at York, and there made many Masons, and gave them a deep charge for observation of all such articles as belonged unto Masonry, and delivered them the said Charter to keep. However, most of us know very little about this deserving ancient Masonic Patron.

British historians consider Athelstan (895–939 AD) to be the first true Saxon King of all England. In his early years, he had been taught to read, write and, like all Anglo-Saxon nobles, was trained to become a soldier from a young age. He was also said to be an avid reader and that his character was beyond repute.

Athelstan grew to become a distinguished and courageous soldier who pushed the boundaries of the kingdom further than anyone had ever done before. In 927, he took York from the Danes, essentially driving out the Viking raiders for the last time. He also forced the submission of Scotland and the other Northern provinces. In the south of England, all five Welsh kings agreed to pay him a huge annual tribute in order to avoid war.

Under Athelstan, enforcement of expanded legal codes strengthened royal control over his large kingdom. He also instituted programmes to eliminate inflation via currency control and to establish new measurement guidelines for silver and gold. Harsh punishments were decreed for anyone in violation of his new laws. In order, to encourage the growth of his towns and cities, he devised new construction projects in urban areas throughout the country, implemented advantageous tax rates for those living in cities, and established price controls for food and other required items.

There also remains a great deal of confusion as to exactly whom Athelstan empowered to lead the Craft in its annual assemblages. Athelstan is said to have had a son by the name of Edwin to whom the royal charter was given, which is highly unlikely as Athelstan never married (unless, of course, his son of illegitimate birth, like he was rumoured to be).

Athelstan died in 939 at the height of his power. Later analysts remembered Athelstan's reign as golden age and certainly there would be nothing like it again for many centuries to come. He was buried in Malmesbury Abbey. It is most fitting that he should be buried there, as he had been an ardent supporter and the primary endower of the Abbey.

The Commemorative Order
of
St. Thomas of Acon

The Commemorative Order of St. Thomas of Acon

This order has grown rapidly over the past few years and has Chapels based in the United States of America, Spain and Australia in addition to those in the British Isles. Further overseas growth is continuing as well as the Consecration of additional Chapels at home. Qualification for joining this beautiful Order is being a contributing member of a K.T. Preceptory, and any Knight of the Order will be pleased to help any qualifying Knight with any information he may require.

It is an invitation Order, but any Knight wishing to join would have no problem provided that he could find a Proposer and Seconder. Chapels generally meet twice a year so the commitment is not too demanding.

This Christian Order was founded around the time of the Crusades and commemorates among other things, the life of St. Thomas Becket, and there is an annual pilgrimage to Canterbury Cathedral.

Each member chooses a title by which he wishes to be known and some examples are shown in the list of Provincial Officers.

There is a specific regalia for the Order but in the early years it is permissible to use K.T. regalia, but without the sash and jewels and with white gloves instead of black. Some additional regalia is required but this is available at a modest sum which is currently around £90.
