Note: In FY 2020/21 RMBI Care Co received a grant of £6.3M from the Masonic Charitable Foundation. We hope Provinces are encouraged to see their donations contribute directly to helping those supported by MCF in their Province and across all the Provinces, as well as having a much wider impact on providing a care package (which includes Masonic traditions) to support all residents. For simplicity the average charitable spend per Province is shown. Please note however that this figure does not reflect the actual charitable spend, which will vary depending on location and individual care needs.
