FAQs

- ◆ **What is the My Friends feature in Portal?**
My Friends lets you quickly connect with other Brethren and Companions you meet, so their details are stored in your Portal app rather than on scraps of paper or old summonses.
- ◆ **How do I add a new friend using the QR code?**
One person taps "Generate QR code" in the My Friends section, the other taps "Scan QR" in their Portal app and points the camera at the code – once you see the confirmation message, you are connected in each other's Friends list.
- ◆ **Can I add notes about where I met someone?**
Yes. After you have connected, you can add a short note against that friend's entry in your list, for example where you met them or which meeting you attended together.
- ◆ **Who can see my contact details when I use My Friends?**
Portal uses the same privacy settings as the rest of your profile, so only those you have allowed (Private, Unit, Province or Global) can see your phone number or email address.

Step 3: Add Your Personal Details

Please ensure you enter your full names exactly as recorded on your joining forms, including all middle names and the long form of first names (e.g., Edward instead of Ed).

For the Lodge or Chapter number field,

enter one unit of which you are a current subscribing member. Once completed, click **Next**.

In some cases, you may be asked for additional information. This will only occur if the details you have provided do not match the data held in the UGLE system. You may then need to enter your Certificate Number and the month you were Initiated.

SHARE MY DETAILS

Share my contact details with a friend.

ADD A FRIEND

Scan or manually enter a friend's code.

To use the new **My Friends** feature, click the **My Friends** button on the bottom right of the screen. You will see two options: **Share My Details** and **Add a Friend**.

The person sharing their details should press the button to generate a one-time code. The other person can then either scan the code or enter it manually, after which your contact details will be added to each other's **My Friends** section.
